THE COW THAT DIDN'T GET MILKED

She was a Holstein. There are many like her on our farms.

But this cow was not on an American farm. She was grazing in a little pasture in Holland, native country of the Holstein, when hell broke loose. A new kind of horrible hell called a blitz.

She went crazy. She ran until her tongue hung out. She wasn't milked that morning, or that night, or the next day, or the next. Her beautiful udder spoiled. But maybe it is just as well—Hitler and his men take all the milk. They take everything from enslaved Holland.

Remember this story as you milk your good herd. Keep on remembering it—and buy U. S. War Bonds—every dollar's worth that you possibly can.

Buying Bonds will help with the war right now—and be one of the best investments you ever made. They never sell for less than you pay for them. They increase in value every year. If held for ten years, they return \$4 for every \$3 invested. And they can be cashed any time after sixty days if you need the money. Buy Bonds—for yourself and for your country—at your bank or post office.

This man is not dead. He is just sleeping. And sleeping a little more soundly, perhaps, because there are still many Americans who are not putting at least 10% of their pay into War Bonds on a regular Payroll Savings Plan. How about you joining a lot of other fellows in giving the little paperhanger a rude awakening? How about you signing up with a Payroll Savings Plan today... to the tune of not 6%, or 7% or 8%, but 10%, and more if you can? LET'S TOP THAT 10% BY NEW YEAR'S.

WHAT YOU SHOULD DO:

If you are...
1. Already investing 10% of your pay in

War Bonds through the Payroll Savings Plan—boost that 10% if you can.
2. Working in a plant where the Plan is installed, but haven't signed up yet—sign up tomorrow.
3. Working in a plant where the Payroll Savings Plan hasn't been installed, talk to your union head, foreman, or plant manager—and see if it can't be installed right away. The local bank will be glad to help.
4. Unable to get in on the Payroll Savings Plan for any reason, go to your local bank, or wherever Bonds are sold. They will be glad to help you start a Plan of your own.
